Jacksonville, FL - - Sea Star Line, LLC, continues to proactively cooperate with the Department of Justice investigation into possible antitrust allegations. Today the company announced it has placed a small number of employees, who violated company policy, on indefinite administrative leave.

“We continue to cooperate fully with the inquiry, and do not anticipate any disruption of service or loss of customer satisfaction’ said Frank Peake, President and COO. “Sea Star is committed to transparency in this matter and values the goodwill of our employees, our customers and our partners,” said Peake.
